

## 2016 Grand & Toy Winter Promotion Technology Solutions

### Recommendations

Grand & Toy offers competitive pricing on all your technology needs. **ASSOCIUM GAIN** member organizations with fiscal year-ends in March can have pre-billing arrangements accommodated, in order for purchases to be applied toward their 2015 capital expenditures. Your Grand & Toy National Inside Account Manager will work with you and ASSOCIUM to make the necessary arrangements. Any order that requires pre-billing should be placed no later than March 24<sup>th</sup>, 2016. A Grand & Toy Technology Products Specialist is available to review technical specifications and compliance with your organization's internal IT standards. In order to view a broader selection of products, log in to your Grand & Toy account and browse [Products>Technology](#).
